

Activities

- International Seminar has been planned with IEM in Kuala-Lumpur on 13th May 2017 at Swiss Garden Hotel.
- A delegation of IEI attended ASCE convention at Portland, USA in October 2016.
- WFEO-CIC in association with The Institution of Engineers (India), Gujarat State Centre organised and conducted an International Seminar on Information Technology for Smart Cities on 19th November, 2016 at Ahmedabad, Gujarat, India. It was well attended by delegates from India and other countries.
- WFEO-CIC sponsored a Technology Day Celebration with Contractor Association on 20th January 2017 at Karnavati Club, Ahmedabad, Gujarat.
- A delegation of IEI attended the EC meeting at Lima, Peru in December 2016. The Face-to-Face Meeting of the WFEO Standing Committee on Information and Communication (WFEO-CIC) was held at Lima, Peru during the Executive Council Meetings wherein members discussed activities undertaken and the future plans including measurable outcomes.
- The 31st Indian Engineering Congress of IEI was held on 15-18th December 2016 at Kolkata wherein one session was allotted to WFEO-CIC. This year also, invitations were sent to a large number of dignitaries from member countries of WFEO and a large number of developing countries participated in the event. The “International Meet” organized during the Congress also helped propagate the role of WFEO-CIC in the participating countries. IEI was privileged to have the august presence of WFEO Immediate Past President Mr. Marvan Abdelhamid.

Highlights

International Seminar on Information Technology for Smart Cities

Chairman delivering his address at International Seminar for Smart Cities

Gujarat Contractors Association's Technology Day at Karnavati Club, Ahmedabad

Secretary (Public works) Mr. Vasava and Secretary (Water Resources) Mr. Jadav from Government of Gujarat at the WFEO/Technology Day Event

Forthcoming Programmes / Events of WFEO-CIC

The CIC strategic Plan had focused on Seminars / Conferences and Monographs. Substantial progress has been achieved in finalising topics, venue, authors, etc. as summarized further here.

MONOGRAPHS OF WFEO-CIC

Monograph Title and Author's Details	Publication Target Date
Cyber Security and IOT <i>Dr. S. Raj Pandian : Dean (Planning), Department of Electronics Engineering, Indian Institute of Information Technology Design and Manufacturing (IIITDM), Kancheepuram</i> <i>Draft is ready and under review of Editorial Board</i>	March 2017
ICT for Healthcare in India <i>Dr. K. Ganapathy : President, Apollo Telemedicine Networking Foundation and Director, Apollo Tele Health Services</i> <i>In progress</i>	April 2017
ICT in Smart Cities : Relevance to Developing Countries <i>Dr. MadalasaVenkataraman : Lead Researcher, Real Estate Research Initiative IIMB-CRERI and Adjunct Faculty, IIM-I IIM-Rohtak</i> <i>In progress</i>	May 2017
ICT in Micro Farming (Tentative) <i>Dr. Pradeep K. Srivastav : Chief Technical Officer, Karnataka State Remote Sensing Applications Centre and Outstanding Scientist, ISRO (Retd.)</i> <i>In progress</i>	June 2017

INTERNATIONAL SEMINARS/CONFERENCES SCHEDULED

Event	Location	Date
International Conference on IoT	Kuala Lumpur, Malaysia	13 th May 2017
International Conference on Safety	New Delhi, India	August 2017
One session allotted to WFEO-CIC for International Seminar/Knowledge sharing on IOT and Agri-Engg. at Indian Technology Congress-2017	Bengaluru, India	September 2017
WFEO-CIC session on SDG's during Indian Engineering Congress	India	December 2017
