Summing up by Padma Shri Prof RM Vasagam

- We are also knowledge partner for International Conference on “Synthesis Characterization and Application of Nanomaterial’s (SCAN)” organized by The Institution of Engineer (India) to be held in 1-2 November, 2019.

Monographs / Publications: The following two monographs are almost ready with the authors and expected to be finalised in October 2019.

1. Agriculture 4.0 : Knowledge Driven Developments in Future Farming
2. Student-Built Satellite Missions : World Landscape

Another two monographs are under preparation.

1. Re-inventing Engineering Education in a Digital World
2. The Future of IoT in Growth Economies

knowledge partner for International Conference on
“Synthesis Characterization and Application of
Nanomaterial’s (SCAN)”

Views/Suggestions may kindly be sent to.
