

30 Members Women and Men

The Inception of WiE

The “Women in Engineering” Committee (WIE) is one of the 9 Standing Committees of the World Federation of Engineering Organizations (WFEO-FMOI).

The Committee was created as a result of the Carthage declaration at the Colloquium of Women Engineers held in Tunis, Tunisia in June 2007 which had the theme "Empowering Women in Engineering and Technology".

The Committee was officially inaugurated in July 2008 and had its first meeting at the World Engineers Congress in Brasilia in December 2008.
