Ministry of
Infrastructure

The [Institution of Engineers Rwanda \(IER\)](#), together with WFEO, the [Rwanda Ministry of Infrastructure \(MININFRA\)](#), [UNESCO](#) and the [Federation Of African Engineering Organisations](#) will host the [Global Engineering Conference \(GECO\)](#) and the [WFEO Executive Council](#) Meetings from 15 to 18 October 2024, at the Kigali Convention Centre, in Rwanda.

The registration is available [in this page](#).

The [Global Engineering Conference \(GECO\)](#) is the world's premier global engineering forum, offering a great platform to facilitate the exchange of cutting-edge knowledge, skills, innovations, and solutions within the diverse engineering disciplines.

These prestigious meetings will be hosted in Africa, for the first time.
