

International Conference on Engineering Education Accreditation (ICEEA 2024)

The [Myanmar Engineering Council](#) is pleased to announce that the [Annual International Conference \(ICEEA 2024\)](#) will be held virtually in collaboration with the [WFEO Committee on Education in Engineering \(CEIE\)](#).

The conference is scheduled to take place on July 23rd and 24th 2024, from 12:30 PM to 17:00 PM (Myanmar time: UTC+6:30) / 8:00 AM to 12:30 PM CEST.

The registration page [is available in this link](#).

The Conference deliberations would be on the theme “*Engineering Education for Better Engineering Solutions towards a Sustainable World*”.

As our objective is to harness the full potential of engineering through collaboration and knowledge sharing, the Myanmar Engineering Council and the WFEO-Standing Committee on Education in Engineering (CEIE) would like to extend a warmest invitation for your contribution and participation as our honorable speakers in ICEEA 2024.
