

ENERGY INNOVATION CHALLENGE 2015

Design the Next Sustainable Solution for 21st Century Energy Problems!

The Institution of Engineers, Singapore (IES) will host the **National Engineers Day (NED)** in conjunction with the **World Engineers Summit on Climate Change 2015** from 22 – 24 July 2015 at Suntec Singapore Convention and Exhibition Centre.

One of the highlights of NED 2015 is the “International Energy Innovation Challenge” which provides an opportunity for university students to design or invent a product using alternate energy. IES invites you to be a part of this exciting journey with your active participation. Prizes will be presented by Minister for Education Mr Heng Swee Keat.

STAND TO WIN

- 1st Prize: **S\$8,000 + Trophy**
- 2nd Prize: **S\$5,000 + Trophy**
- 3rd Prize: **S\$3,000 + Trophy**
- Up to 5 Commendation Prizes: **S\$1,000** each

REGISTRATION

Register by 25 April 2015

Contact Shirlene Tang for registration or any enquiry, email: shirlene.tang@iesnet.org.sg or call **+65 6461 1240**

Registration is **Free**.

HOW TO PARTICIPATE

The Challenge is to design or invent a product to demonstrate the use of alternative sources of energy.

- ✓ Form a team of maximum 5 members
- ✓ Submit a proposal of not more than 800 words on background, project description and prototype proposal by 25 April 2015
- ✓ Shortlisted teams will be informed by 1 May 2015 and will receive S\$500 to develop their prototypes
- ✓ Detailed proposal to be submitted to the organiser by 3 July 2015. Teams are to bring along their prototypes on the day of the competition to present to the judges
- ✓ Judging Criteria:
 - Creativity
 - Technical Feasibility
 - Quality of Deliverables
 - Relevance
 - Cost Effectiveness
