Welcome Message

Welcome to the UAE Project Management Conference & Exhibition 2015

Society of Engineers - UAE warmly welcomes you to the very first UAE Project Management Conference & Exhibition which will be held on 25th – 27th May 2015 in Intercontinental Hotel, Festival City Dubai UAE. This prestigious event will be organized by the Society of Engineers – UAE under the theme “Mastering Project Management in Mega Projects” and includes five streams: Conference, Exhibitions, Awards, Young Engineers Forum and Site Visits.

We cordially invite you to participate with us and witness the newest, most interesting and informative event that will explore the latest innovations, trends and developments in the project management industry in the region. We are very proud on our emerging success and new level of providing best practices in order to give you greater access to professional and international standards of expertise in various fields. We continue to be inspired by the vision and quotes of His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President and Prime Minister of UAE and Ruler of Dubai: “Try to achieve the impossible and direct your people to ways of achieving it”.

Speakers from respectable organizations representing industries in project management across the globe will be sharing their professional expertise and experiences on the latest initiatives, techniques, innovation, excellence and leadership in the project management industry. This event will give you the opportunity to further explore the best practices that evolve in the project management and will provide knowledge and vision on how to develop professionally as you learn from the experts. We are positive that this event will merge professional networking with a great business opportunity that will be a privilege and great value to your company.

UAE Project Management Conference & Exhibition 2015 will bring together government entities, professional institutions, federations and associations, insurance industry, engineering & construction sector, Energy, Oil & Gas, Infrastructure, Information Technology, Legal, Healthcare, Business and others who are determine to improve how we collectively address these global issues together.

We look forward to have you in this milestone event and we promise you that this will be one of the best international gatherings in the region. We truly hope that you will have a great time and experience at the UAE Project Management Conference & Exhibition 2015.
