

Agreement

between the

World Federation of Engineering Organisations (WFEO)

and

The International Federation of Engineering Education Societies
(IFEES)

On

Co-operation in Engineering Education

Paris, 7, March 2018

1. PURPOSE

The purpose of this Agreement is to promote cooperation in and joint promotion of activities designed to provide independent and internationally recognised actions on engineering education. The co-ordinated efforts of the members of WFEO and IFEES will be undertaken through agreed policies and programs.

2. ACKNOWLEDGEMENTS

WFEO and IFEES acknowledge that:

WFEO established in 1968, is the peak body for national and regional professional engineering institutions

and

IFEES was founded in 2006 and is an international organization for engineering education societies. IFEES is connecting the world's engineering education societies to improve engineering education worldwide including quality assurance in engineering education, pedagogy and addressing emerging trends in engineering education.

Both organisations agree to cooperate with each other to advance the contribution of the engineering profession for the benefit of peoples throughout the world.

Each organisation recognises the mission, vision and objectives of the other organisation as provided at:

- IFEES: www.IFEES.net
- WFEO: www.WFEO.org

3. JOINT ACTIVITIES

The organisations may enter into joint projects and events such as projects, conferences and forums, for the development of engineering education, as agreed from time to time.

The organisations will conduct joint activities devoted to promote and support engineering education, preserving and sustaining the environment, improving the engineering, sciences and technology awareness in the general public and improving the image of the engineering and technological sciences generally.

The organisations will seek opportunities to cooperate in the preparation of policy statements in their shared areas of expertise which may be made available to national and international organisations to inform them and others of important issues relevant to humanity.

4. INVITATIONS TO CONFERENCES, EVENTS AND TECHNICAL MEETINGS

Schedules for conferences and major events will be exchanged between the organisations.

Each organisation agrees to invite the other to send an observer to major meetings: the IFEES World Engineering Education Forums (WEEF) and and WFEO General Assembly and to welcome participation as an observer in associated conferences or forums held in conjunction with those meetings.

5. JOINT ACTIVITIES FOR CAPACITY BUILDING IN ENGINEERING

The organizations plan to setup joint working groups in regard to

- a) Exchange of experiences between accreditation bodies and the efficiency of Engineering Education standards globally
- b) Measures for Engineering Education capacity building in Asia, Africa and Latin America.

6. REVIEW AMENDMENT AND TERMINATION

The term of this Agreement will be for an initial duration of four (4) years from the date of signature.

Either organisation may terminate its obligations under this agreement by three months in notice to the other party.

Amendments to the Agreement may be proposed at any time.

This Agreement and any amendments thereto will come into force only after ratification of the governing bodies of each organisation.
