GUIDELINES

1. On Monday, June 8, you should join the Zoom platform at 5:35pm for sound and image testing.
2. A link to the Zoom platform will be sent to your email. Lunes mañana.
3. Regarding the use of the microphone and video by speakers and moderator:
 - At the beginning of the webinar, speakers and moderator will have the videos active and the microphones off.
 - Activate the system's audio and video after the moderator announces the start of your presentation. The other speakers turn off their audio and video.
 - In the question session, the speakers and moderator must activate their video and microphone. Keep them that way until the event is over.
4. Speak slowly when making your presentations.
5. Do you authorize us to share your presentation (PDF format) with the public after the event?

Follow the steps below to listen to the translation from Spanish to English.

1. At the bottom, identify the Interpretation icon.

2. Choose English and Unmute Original Audio

The screenshot displays a Zoom Webinar interface. At the top, it shows "Zoom Webinar" and "Recording...". A name tag indicates "Talking: Isabel Herrera". The meeting details are as follows:

- Meeting Topic:** LA INGENIERÍA EN TIEMPOS DE LA COVID-19: ¿QUÉ HACER?
- Host:** CIP CN
- Invite Link:** <https://us02web.zoom.us/j/83091316809>
[Copy Link](#)
- Participant ID:** 243387

Below the details are three main buttons: "Join Audio" (with a sub-label "Computer Audio Connected"), "Share Screen", and "Invite Others". A blue circle highlights the "Invite Others" button, which has opened a dropdown menu. This menu contains the following options:

- Off
- English
- Spanish (checked)
- Unmute Original Audio

Two yellow arrows point to the "English" and "Unmute Original Audio" options. The bottom of the screen shows the Zoom control bar with icons for Mute, Start Video, Participants, Q&A, Chat, Share Screen, Pause/Stop Recording, Spanish, and Leave.
