

WFEO – CAC SDGs FOCUS 2016-2019

CAC – Delivery of the Agenda 2030

requires us to have an Action

Corruption is cross cutting and CAC has focused on the SDGs listed below

Two Prioritised Goals for CAC

These goals were adopted during the WECC2015 in Kyoto, Japan in 2015.

We will be focused on the following 6 SDGs targets

Our Key SDG Goal is Goal 16

- **16.5** - Substantially reduce corruption and bribery in all their forms
- **16.6** - Develop effective, accountable and transparent institutions at all levels
- **16.7** - Ensure responsive, inclusive, participatory and representative decision-making at all levels
- **16.8** - Broaden and strengthen the participation of developing countries in the institutions of global governance

WFEO CAC – Delivery of the Agenda 2030 requires us to have an Action Oriented WFEO which plans for the future by having action plans to deliver the following Goals as well!

We have also designed action plans for **COLLABORATION** with other STCs and our partners the above SDGs and are preparing a log-frame of the Committee interventions in line with our strategy and resources.

We expect other STCs to do the same such that we will have the full coverage of all the 17 Goals and the 169 targets as WFEO.
