

# Become an Asia-Pacific Region presenter

for the newly adopted

World Federation of Engineering Organizations  
Model Code of Practice for Sustainable Development  
and Environmental Stewardship.

WFEO and Engineers Canada are proud to host a one hour  
webinar which will train you to become an official  
presenter of the new model code for the Asia-Pacific Region.

**Date:** February 19, 2015

**Time:** 10:00 Singapore Time

**Location:** Webinar online

Sign-up today by sending an email to Engineers Canada attention Eric Scharf at  
[eric.scharf@engineerscanada.ca](mailto:eric.scharf@engineerscanada.ca). For more information call: 1-613-232-2474

Deadline for registration is February 9, 2015. Upon registration Eric Scharf will contact you to  
test your communications, connection and computer compatibility.
