

Activities

- After a Review meeting with Mr. Ke Gong, the outgoing Chair of WFE0-CIC and Vice President WFE0, which was held during the WFE0 General Assembly at Kyoto, action plan has been finalised.
- Preliminary discussions have been initiated with ICT industries to solicit their co-operation and sponsorship, etc along with their views on topics and activities to be taken up by the WFE0-CIC.
- The World Bank and the Asian Development Bank (ADB) have been approached with a request to play an active role as well as their participation in activities of the WFE0-CIC. Positive response has been received from World Bank. Response from ADB awaited.
- Interaction has been done with ECSA and the IEM to explore possibilities for holding International Seminar / World Congress in South Africa and Malaysia, respectively. As a result an International Seminar has been planned with IEM in Kuala-Lumpur in first fortnight of May 2017.
- The Chair, WFE0-CIC has participated in World Future Energy Forum 2016 (WFEF 2016) in July 2016, where he made a presentation on “Canal top solar power plant: an innovative initiative”. The visit was also utilized for discussion with other STC’s.

Forthcoming Programme / Events of WFE0-CIC

The CIC strategic Plan had focused on Seminars / Conferences and Monographs. Substantial progress has been achieved in finalising topics, venue, authors, etc. as summarized further here.
