WFEO STANDING COMMITTEE ON ENGINEERING
FOR INNOVATIVE TECHNOLOGY

STRATEGIC PLAN (2018-2019)

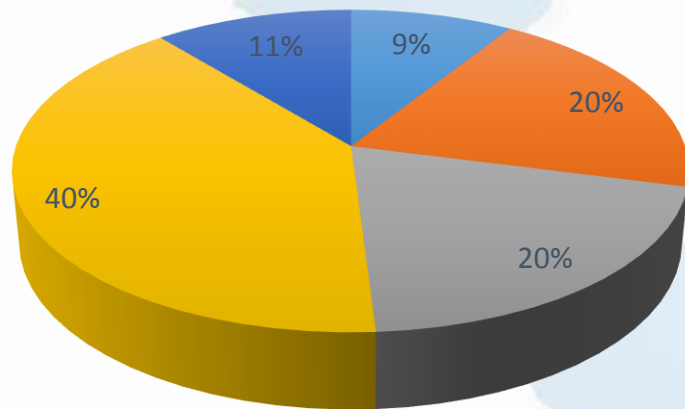

Hosted by
China Association for Science and Technology
October, 2018

According to the review comments provided by the STC support and review group, WFEO-CEIT has adjusted its strategic plan. In the revised 2018-2019 Strategic Plan, WFEO-CEIT will focus on SDG 9 and launch series of SDG 9 oriented domestic and international activities to foster the implementation of SDG 9 among but not limited to CEIT national members .

National Membership Building

Regions

■ America ■ Europe ■ Africa ■ Asia ■ Arab Region

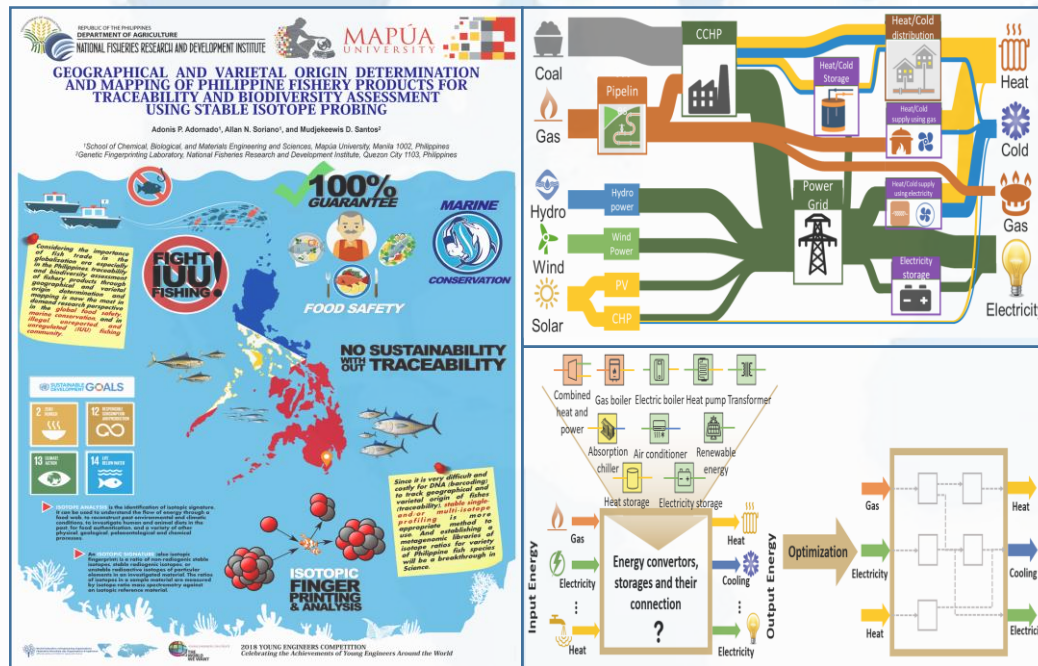

**Launched First Newsletter,
August 2018**

**Promotion of the IMCP
(International Meridian
Circle Program)**

Cooperation with STCs

**Jointly hold the World Young Engineers Competition
with Committee on Young Engineers,
August 2018**

**Jointly hold 2018 WFE0-CEIT Annual Meeting
with WFE0-CDRM,
October 2018**

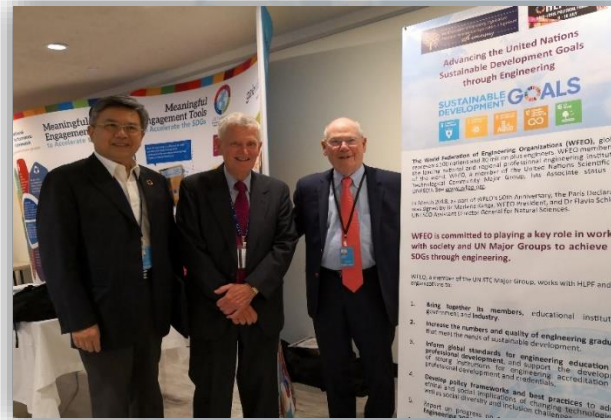

Increasing the visibility and influence of WFEO

Active Participation in UN Affairs

Jointly hold the Workshop,
Human Intelligence and
Artificial Intelligence with the
UNESCO

Advancing the United Nations
Sustainable Development
Goals through Engineering

Attended in the Third
Annual Multi-stakeholder
Forum on Science,
Technology and Innovation
for the SDGs

Lead in International Conferences

**International Meridian
Circle Conference**

**2018 World Robot
Conference**

**World Conference on
Science Literacy**

**2018 World Intelligent
Manufacturing Summit**

Achievements in Focused Areas

01

Officially launched the Chinese version of the **UNESCO** book of ***HUMAN DECISIONS THOUGHTS ON AI.***

02

Contributing to **SDG 9**, a ground-and-space based weather monitoring system, **International Meridian Circle Program** has been established.

03

Promoting the adoption of Robot and Intelligent technology in supporting sustainable development through **WRC 2018.**

Future Activities

A

The 3rd World Intelligence Congress, Tianjin, China, May 2019.

B

The 5th World Robot Conference, Beijing, China, August 2019.

C

Joint activities with CIC and WIE.

D

World Engineers Convention (WEC), Australia, November 2019.

Thank You!
