

The 2013 Asia and Pacific Nation Network (APNN) Meeting

The 2013 APNN Meeting (3rd) is organized by Society of Taiwan Women in science and Technology (TWiST) and the Association of Korean Women Scientists and Engineers (KWSE). The previous two APNN meetings were held respectively in Adelaide, Australia and Kuala Lumpur, Malaysia. APNN is affiliated with the International Network of Women Engineers and Scientists (INWES).

INWES is a global network of organizations of women in Science, Technology, Engineering and Mathematics (STEM). INWES aims to become an influential voice on STEM issues for the benefit of women, gender equity and society, and increasing the presence of women in mainstream STEM decision-making bodies. It promotes the exchange of information, networking, advocacy and a number of global and regional projects.
