

ZIMBABWE INSTITUTION OF ENGINEERS WOMEN IN ENGINEERING DIVISION

The 2015 UNESCO Africa Engineering Week (AEW) was hosted by the Engineering Council of Zimbabwe (ECZ) in collaboration with the Zimbabwe Institution of Engineers (ZIE) in Victoria Falls, Zimbabwe during the week 14 to 19 September 2015 under the theme 'Engineering Innovation for Accelerated Infrastructure Development for Africa'.

The aim was to increase the visibility of Engineering and its role in sustainable development, to encourage students to study engineering by supplementing STEM curriculum with practical applications and to incite more African countries to participate in ensuring the sustainability of the efforts. The conference was attended by more than 500 participants from several countries including students.
