

**WORLD FEDERATION OF ENGINEERING ORGANIZATIONS
FÉDÉRATION MONDIALE DES ORGANISATIONS D'INGÉNIEURS**

**WORKING GROUP ON WATER (WGoW)
TERMS OF REFERENCE**

1. Role/Purpose

The purpose of the WGoW is to provide a focus of activities relating to the issue of Water and in particular to advance the UN Sustainable Goal No. 6. (Water)

The Scope of Work of the Working Group on Water is as provided in the submission to the Executive Board by the Instituto de la Ingeniería de España (IIE), the WFEO National Member for Spain. The project will be funded entirely by IIE and the Secretariat will be based at IIE.

2. Outcomes

The outcomes of the work of the Working Group on Water are as provided in the submission from IIE in September 2018 and include three specific products:

- 1st Product: "Managing droughts and floods: Best practices and engineering contribution". Summer 2019, with delivery anticipated at WEC2019.
- 2nd Product: "Achieving SDG 6 (Water goals): Contribution from engineering". Summer 2020
- 3rd Product: "Adaptation to climate change: water and engineering contribution". Summer 2021

3. Term

The Term of the Working Group on Water is three years commencing October 2018 until the close of the General Assembly in October 2021. A review of the continuation of otherwise of the Group will be made at that time.

4. Operation

The Working Group will be a committee of the Executive Board and will operate according to the requirements of **WFEO Rules of Procedure 3.1 and 3.2 and Annex C, section 2..**

These requirements include an annual report on progress being made. A written report for the WFEO Engineering 2030 Plan and the WFEO Biennial Report which is published in years when a General Assembly is held, is also required.

The Chair of the Working Group will be Mr. Tomas Sancho. If not elected to the Executive Council, he will be a non-voting member of the Executive Council for the duration of the Working Group. The Chair will also be a member of the STC Chairs Committee.

Approved by the Executive Board
