Sir/Madam,

I regret to inform you that the launch of the first World Engineering Day for Sustainable Development that was planned to take place on 4 March 2020 at UNESCO Headquarters in Room II and XI (Fontenoy Building) is cancelled due to the precautionary measures adopted globally linked to the Coronavirus spread.

We nevertheless will do our best to celebrate this important day virtually and encourage you to celebrate it at your level, locally.

We thank you for your understanding and apologize for the inconvenience this may have caused.

Yours sincerely,

Peggy Oti-Boateng (Ph.D.)
Director of Division
