

**WORLD FEDERATION OF ENGINEERING ORGANIZATIONS  
FÉDÉRATION MONDIALE DES ORGANISATIONS D'INGÉNIEURS**

**WORKING GROUP ON INFRASTRUCTURE REPORT CARD (IRCWG)  
TERMS OF REFERENCE**

**1. Role/Purpose**

The purpose of the IRCWG is to provide guidance for the development of national infrastructure report cards with a view to producing a global infrastructure report.

The Scope of Work of the IRC Working Group is as provided in the submission to the Executive Board by the Federation of African Engineering Organisations (FAEO) the international member representing Africa at WFEO. The project will be funded entirely by FAEO and the Secretariat will be based at FAEO.

**2. Outcomes**

The outcomes of the work of the IRC Working Group are as provided in the submission from FAEO in September 2018 and include:

- Finalize the Infrastructure Report Card Guide
- Provide training in the form of work sessions on a regional basis
- Develop the format for the report to be submitted
- Produce the Global Infrastructure Report biennially

**3. Term**

The Term of the IRC Working Group is three years commencing October 2018 until the close of the General Assembly in October 2021. A review of the continuation of otherwise of the Group will be made at that time.

**4. Operation**

The Working Group will be a committee of the Executive Board and will operate according to the requirements of **WFEO Rules of Procedure 3.1 and 3.2 and Annex C, section 2.**

These requirements include an annual report on progress being made. A written report for the WFEO Engineering 2030 Plan and the WFEO Biennial Report which is published in years when a General Assembly is held, is also required.

The Chair of the Working Group will be Dr. Martin Van Veelen. If not an elected member of the Executive Council, he will be a non-voting member of the Executive Council for the duration of the Working Group. The Chair will also be a member of the STC Chairs Committee.

Approved by the Executive Board
